

Monday 24 – Friday 28 July 2017

£355 (Day Students) £560 (Residential Students)

An advanced course for more experienced musicians, Grade 5 and above, to experience playing jazz.

Playing in ensembles, students will be able to:-

- play enjoyable and exciting music from jazz and popular idioms
- gain a broad experience of repertoire and style
- develop improvising skills in a supportive atmosphere
- extend sight-reading skills and learn how to play from chord symbols
- play new and original music written and arranged by the course directors
- work with leading professional musicians at the forefront of the Jazz Scene

Music and drama are just two of the subjects on offer at Uppingham Summer School, with lots to choose from for both children and adults. With courses aimed at all levels, from those just embarking on their musical journey through to talented performers of conservatoire standard, there truly is something for everyone.
